INGREDIENTS

Molasses Products, Salt, Magnesium Oxide, Mineral Oil, Hydrolyzed Animal and Vegetable Fat (preserved with BHT), Zinc Polysaccharide Complex, Manganese Polysaccharide Complex, Cobalt Polysaccharide Complex, Iron Proteinate, Magnesium Mica, Zinc Oxide, Manganous Oxide, Sulfur, Ethylenediamine Dihydriodide, Vitamin A Supplement, Vitamin D₃ Supplement, Vitamin E Supplement and Sodium Selenite.

FEEDING DIRECTIONS

Start Feeding Royal Sweet Mag 14 Blocks 14 days prior to the time animals are grazed on lush green pastures. Continue feeding as long as conditions for grass tetany persist. Do not feed additional salt or other mineral containing salt. Provide adequate feeding space so that all animals can eat at the same time.

CATTLE: Feed free choice so cows suckling calves receive 5 to 6 ounces per head per day. This will supply 20 to 24 gm of magnesium per animal per day.

DAIRY: Feed free choice so animals receive 7 to 8 ounces per head per day. This will supply 28 to 32 gm of magnesium per animal per day.

SHEEP: Feed free choice so sheep receive 1 to 1 1/2 ounces per head per day. This will supply 4 to 6 gm of magnesium per animal per day.

SUPPLY: Provide 1 block per 5 head of livestock.

NOTICE: This product contains no prohibited animal by-products in accordance with FDA Regulation 21 CFR 589.2000. This manufacturing facility does not handle, store or use any prohibited animal by-products.
